REMARKS

This is a full and timely response to the non-final Official Action mailed September 6, 2007, which imposed a Restriction Requirement in the present application. Accordingly, Applicant makes the following election and requests that examination of the elected claims on their merits be promptly conducted in light of the following remarks.

In the outstanding Office Action, the Office alleges that the present application contains claims drawn to three independent and patentably distinct inventions. The claims are grouped as follows:

Claim Group 1: Claims 1-6 and 32-37;

Claim Group 2: Claims 7-26 and 38-52; and

Claim Group 3: Claims 27-31.

In response, Applicant elects Claim Group 1, claims 1-6 and 32-37 for immediate examination. Additionally, Applicant has amended claims 27-31 herein to depend from claim 1. Consequently, claims 27-31 are included in the set of elected claims. All other original claims are labeled as "withdrawn" herein.

Applicant does not disclaim the subject matter of any withdrawn claim and reserves the right to file any number of continuation or divisional applications to the withdrawn claims or to any other subject matter described in the present application.
